ENTACT, LLC Receives National Safety Council Industry Leader Award

ENTACT, LLC has been honored with the National Safety Council's *Industry Leader Award* for 2011.

This award is a component of the Council's member-exclusive Safety Motivation and Recognition Awards Program and benchmarks outstanding safety achievements among member companies. ENTACT, LLC is one of 52 companies honored with the 2011 Industry Leader Award. The Award recognizes the top 5 percent of member companies, units and facilities that have met the criteria and qualified for the National Safety Council's 2011 Occupational Excellence Achievement Award.

ENTACT is a direct self-performer of field remediation services that possesses internal resources in the geosciences, regulatory compliance, and civil engineering disciplines. Founded in 1991 in Dallas, Texas, ENTACT creates and implements environmental solutions for clients at their active facilities and dormant properties nationally as well as select international locations.
