ENTACT, LLC Announces 20th Anniversary of Company's Founding

ENTACT, LLC is proud to announce that it has achieved a significant milestone, the 20th anniversary of its founding. Chief Executive Officer, Dean Pisani, reflected on the past twenty years by saying, "ENTACT was founded to provide efficient and safe remedial construction field solutions for our clients. Our experience with successful project completion and the development of strong client relationships have been an integral factor in our success." ENTACT recently reached another significant achievement by crossing the "2000 Completed Projects" mark while maintaining industry leading health and safety metrics.

ENTACT is a direct self-performer of field remediation services that also possesses internal resources in the geosciences, regulatory compliance, and civil engineering disciplines. Founded in 1991 in Dallas, Texas, ENTACT creates and implements environmental solutions for clients at their active facilities and dormant properties nationally as well as select international locations.
